

TOW VEHICLE	CHECK
Check fluid levels	
Check tire pressure	
Lights	
FIFTHWHEEL - Checklist for Inside	CHECK
Secure dishes & breakables	
Secure TV, electronics, computers	
Lower TV antenna	
Close windows and vents, check emergency window latches	
Latch cabinets	
Clean off table & cabinet tops	
Remove anything from floor that will interfere with slide rooms such as throw carpets, pets dishes	
Turn off all lights, ceiling fans, air conditioning, heat (this is also relevant if you use an autoformer when you hook up again)	
Turn off oven, including pilot light	
Turn off frig as the piezo lighter will continue to attempt to restart	
Latch refrigerator door	
Latch all sliding doors, & shower door	
Latch closet doors	
If you have a bedroom slide and air mattresses, unplug mattress	
Turn off water heater	
Turn off water pump	
FIFTH WHEEL - Checklist for Outside	CHECK
Check tire pressure	
Clean off slides (sides & top)	
Secure awning	
Empty black water tank if needed	
Empty grey water tank if needed	
Fill amount of fresh water you wish to carry, if any	
Turn off propane tanks	
Bring in slides when items inside are secured	
Turn off external power, unplug cord, remove electric cord from trailer and stow	
Turn off outside water outlet, remove hose from trailer and stow	
Confirm trailer tires are chocked/blocked	
Raise rear jacks	
Look under trailer to confirm everything is clear	
OPEN TRUCK TAILGATE	
Prepare to connect trailer to truck	
Confirm hitch lever is free, back truck under trailer hitch, lock hitch	
Attach break away cable	
Attach 7-way connector to truck	
Remove chocks/blocks from wheels of trailer	
Secure front step, close and lock doors	
Raise landing gear just an inch or so off the ground, if you perform pull test. Accelerate slowly with trailer brakes activated to check hitch is locked securely. Because we use the BED SAVER, we do not generally use the pull test.	
Raise trailer landing gear all the way up for good clearance before pulling away.	
We leave windows open in our truck just to confirm we do not hear any problems while pulling away, out of campground.
